ASSOCHAM

ASSOCHAM

The Associated Chambers of Commerce & Industry of India (ASSOCHAM) is the country's oldest and most agile apex chamber, always evolving with the times ever since it was set up in 1920. The ASSOCHAM reaches out to and serves over 4.5 lakh members from trade, industry and professional services through over 400 associations, federations and regional chambers spread across the length and breadth of the country. It has built a strong presence in states, as also spread its wings in the key cities of the world. ASSOCHAM is represented in this conference by its Iron and Steel Council.

D.P. Deshpande
Chairman
SIMA

It is the voice of the Indian iron ore based sponge iron & steel industry, at both domestic & global forums. The Indian sponge iron industry, which was started as late as in 1980's has come a long way.

John Atherton
Secretary General
IIMA

IIMA

The international Iron Metallics Association (IIMA) is dedicated to those involved in the ore-based metallic value chain-raw material supply, production and transformation, trading and distribution, transportation and logistics, technology and equipment. Its members account for more than 80% of production and international trade in ore-based metallics.

Asian region continues to show high growth in steel production which creates challenges for sourcing of raw materials. This event brings together the key metallic industry like Iron ore, HBI, DRI, Pig Iron, Scrap, to discuss technological breakthroughs & demand outlook. The topics covered will provide market insights & the entire supply chain will be present making it a great networking opportunity.
